

FOR IMMEDIATE RELEASE

Boulder Builds Peace Week – Sept. 15-Sept 26

Boulder Rotary invites you to attend a week of celebration and thoughts in recognition of the United Nations International Day of Peace (9/21).

Sept 15th-26th, Boulder, CO

Peace is a core part of Rotary International’s mission, and the Boulder Rotary Club has worked on a variety of projects contributing to peace. Boulder also has many nonprofits, educational facilities and businesses that contribute to building peace. Boulder Rotary is bringing all this together into a Boulder Builds Peace Week, a series of events over an 11-day period.

There will be keynote speakers, discussion panels, a workshop, Peace Faire, music, and art, all highlighting diverse Boulder organizations and individuals who contribute to building peace – everything from “inner peace” to “global peace.” This will be a collective public/civic engagement to contribute to an informed constructive discourse about peace and conflict in these conflicted times and how we can create a culture of peace both here and elsewhere. The event is co-sponsored with Naropa, United Nations Association-Boulder, the City of Boulder and the CU program on Peace, Conflict and Security.

All events are free and open to the public with an option to purchase lunch on Friday, Sept 20th. Some events require rsvp. The full schedule of events and links can be found at www.BoulderRotary.org

For media inquiries or additional information, please contact:
